

# Management Bulletin

## News and updates - 27.8.18

### Other updates

**Board of Trustees:** The most recent Board meeting took place on the 16th of August. Norma Hart (Chair) will send out a summary to all.

**Summer:** Young people have had a great summer with lots of outings and special activities.

**Standards:** Work has been completed (and is available) with regards to the portfolio on the National Health and Care Standards in preparation for the upcoming Care Inspection.

**School:** A positive start with many (new) children attending in the (integrated) classes.

The **Therapy Review** has reached its final draft stage and this Thursday will see the start of a consultation period.

### Main news from Management

Dear All,

This bulletin aims to inform everyone within CSA.

I hope you all had a great summer.

A very warm welcome to all new Foundation Year co-workers that have recently started. It has been fantastic to meet you all and I wish you a very special time here.

### Capital Development:

Over summer the competition to select a development/architect team has continued. Following the first Brief 49 architects were shortlisted and a further 6 were shortlisted to compete for the 2nd Brief. On the 24/25th of September it is expected that the competition will be completed and that a development team/architect will be selected. More information can be found on <https://www.rias.org.uk/>

### Estate meeting & Extended Management Team

This term we will continue our fruitful work on management representation at the different estate meeting, the good discussions we had and to establish an extended management team.

### Learning for Life Day Centre

The school building on Murtle estate has undergone quite a transformation over summer. Alongside (classroom) teaching a number of multiple use workshops have been established including pottery, candle work, metal and jewellery work (picture left). The building feels vibrant and reenergised. A big thank you to all involved across CSA .

Please do contact anyone in management if you have any questions or feedback.

**Important news/events:** Our September Open Day will take place on Camphill Estate on Saturday the 22nd between 2-5pm. Please invite friends and family to join!
