

Camphill School Aberdeen

Job Description: Learning for Life Day Services Care Farm Workshop Leader

Camphill School Aberdeen (CSA) is an independent charity offering education, care and therapy services for children and young people with additional support needs on a day and residential basis.

Our Vision: To be recognised as a centre of excellence where children and adults can live, learn and work in an integrated community based on mutual respect and unfolding of individual potential.

Our Mission: To create a community where children and adults feel a sense of belonging, support and personal growth; a place where there is an inclusive, lifelong learning culture with an integrated approach to health, education and care.

Purpose of the role:

General

To lead workshops for children and young adults with special needs as part of the learning for life day services. The support and learning provided are expected to be responsive to the identified needs set out in the referral; provided in a professional manner; in accordance with the best practice standards of the subject of the workshops; provided at the times agreed and designed to help to make some change (outcomes) for the referred person.

All workshop leaders are expected to work as part of a team to provide holistic person-centred support and learning. This will mean attending on a regular frequency the learning for life team meetings chaired by the Day Services Manager

Specific

This specific role is expected to provide: a wide range of farming experiences as a means to developing (cognitive abilities) and enhance self-development. This will be done by enabling attendees to work through the process of production, animal care and farmyard and field maintenance.

The role will also support, foster and develop meaningful (work) experiences to allow children/ young adults to build confidence and to have the resilience to help them in the process of development aimed at helping them to resolve conflicts and problems, develop interpersonal skills, develop the range of emotional experiences and growth as well as increase their self-esteem and self-awareness.

This is a new role and you will be expected to support with the development of the care farm provision. Working closely with the Day Services Manager and other relevant stake holders you will be tasked with building and growing the vision of the care farm provision. In this role you will be working as part of a team that cares for the animals at the farm and supports day services attendees.

Responsible to: Day Services Manager

Responsible for: the quality of, and outcomes achieved from, their own practice.

Key tasks:
